Miss Alice Grand,  
Arcadia  
Calif.

Riviera 5-25.  
My dear Alice:

Today we decided that we would have our school picnic on Saturday, June 5th, which is the Saturday before school closes. We will leave here by truck about 8 a. m., and go to Sierra Madre, where we expect to arrive about 10 a. m. We will then go up the trail to Roberts' Camp, where we will have lunch and after that we will probably go on to the Falls.

We were speaking, you remember, about some of the Arcadia children meeting with the Riviera children at Sierra Madre. I think that would be lovely, if you would care to do it. I will write

to some of the children  
at Arcadia, and some  
of the parents. There  
ought to be a few autos  
available to take the  
Arcadia children to  
Sierra Madre. You might  
talk it over with some  
of the children and par-  
ents, if you think best.  
Anyway, I won't try to  
manage the Arcadia  
end, but we will be off  
from here on the 5th  
unless you get different  
word.

I am closing one  
of the loveliest school  
years possible, but I'm  
rather glad vacation time  
is at hand.

With love and good  
wishes to you all I am  
Your sincere friend,  
James V. Kelleher.
